tasting notes

The JJ Handmade wines range forms part of a special boutique range of wines under the Stellenrust estate label, with the focus on making wines in the age-old French methods with no machinery involved in production – hence the name 'handmade wine' - an exclusive trademark to Stellenrust. The name Picalot refers to the blend: 'Pi' for 52% Pinotage, 'ca' for 28% Cabernet Sauvignon and the 'lot' for 20% Merlot.

This wine offers summer sun and ripe berries and cherries on the nose - the palate shows rich plum with cedar and tobacco spice. Long finish of succulent ripe fruit.

blend information

food suggestions

This Picalot will complement North Indian Curries or other spicy dishes well; the Pinotage evident enough to balance strong food flavours.

in the vineyard

The vines used for this wine are a combination of Pinotage bushvine from our Bottelary property, and trellised vines from both the Helderberg and Bottelary farm.

about the harvest

Grapes are picked between 24 to 25° Balling.

in the cellar

NO crushing of the grapes are allowed. It is inoculated with French yeast strains and allowed to ferment as whole berries with regular punch downs for 10 days on the skin. The wine is then drained from the skins through a gravity drip system to the bottom of the cellar where the barrel room is. Here it finishes malolactic fermentation and ages for about 18 months in 100% French oak, where after it is blended and put back into the barrel for another 6 months.
